New York, Aug. 20.—Stocks were lower again this morning and some

large blocks of Reading, Union Pa-cific and United States Steel were

sold from half to 3-4 below yester-day's closing figures. The market

otherwise was without essential

advantage at the outset and prices

consequently worked back to a parity

with yesterday's close. Most of the business centered in Reading, Union

Pacific and United States Steel, which likewise covered the widest fractional

range. American car and American Locomotive lost 1. The market clos-

asked Representative E. W Saunders McMurray declared the visits were made in relation to legal phases. It had been shown that President Tafe at such visits had expressed his ap proval of the 10 per cent fee on the ground that it was too high. The witness denied that the former senator had been employed to lobby.

Questioned about Cecil A. Lyon, Na tional Republican committeeman o Texas, the witness said certain in dictments were pending against the McMurray law firm in connection with the \$750,000 fee paid in 1905 in the citizenship cases. Mr. Lyon had been convinced that the indictments were not well founded and used his in

WRIGHTS' LONG FLIGHTS BY LIGHT OF MOON

Asbury Park, N. J. Aug. 20.—The morning to find that while they slept two of the Wright aviators had accomplished a record feat in aeroplaning having made long midnight flights by the light of the moon, the first night flights on record. With a few friends and a score of summer colonists as spectators, Arch Hoxsey and Ralph Johnstone took out the new Wright machine for spins of about 15 minutes
